# THE NEW JETTA

**HIGH EXPECTATIONS  
VERSUS  
A CAR THAT FULFILS THEM.**

**WHEN YOU SET OFF ON A JOURNEY, YOU NEVER KNOW  
WHAT THE ROAD HAS IN STORE FOR YOU.**

**WHETHER YOU ENCOUNTER A TRAFFIC JAM,  
A CHANGE IN THE WEATHER, A TIGHT PARKING SPACE  
OR SIMPLY HAVE A LONG WAY TO GO.**

**THE NEW JETTA MAKES VIRTUALLY ANY CHALLENGE  
CHILD'S PLAY.**

# DEPARTURE AT DAWN VERSUS DESIGN THAT LETS YOU SEE DAYLIGHT.

IT IS CLEAR FROM THE VERY FIRST MOMENT THAT THE NEW JETTA MUST BE SOMETHING VERY SPECIAL WITH ITS SUCCESSFUL COMBINATION OF STYLISH ELEGANCE AND A CONFIDENT SPORTY LOOK.

THIS FIRST IMPRESSION IS CONFIRMED TIME AND AGAIN AS ITS SELF-ASSURED APPEARANCE IS BOTH MODERN AND TIMELESS.

Halogen headlights with integrated daytime driving lights facilitate better visibility in nearly all weather conditions. |S  
The radiator grille is another element of the characteristic front end. The ribs have a high-gloss, black piano lacquer look and chrome trim. The stylish design adds to the sporty elegance of the new Jetta. |C|H

The attractive tail lights have integrated turn signals and are an eye-catching feature of the rear design. The turn signals have a convenience function: they flash three times at one tap of the indicator lever. |S

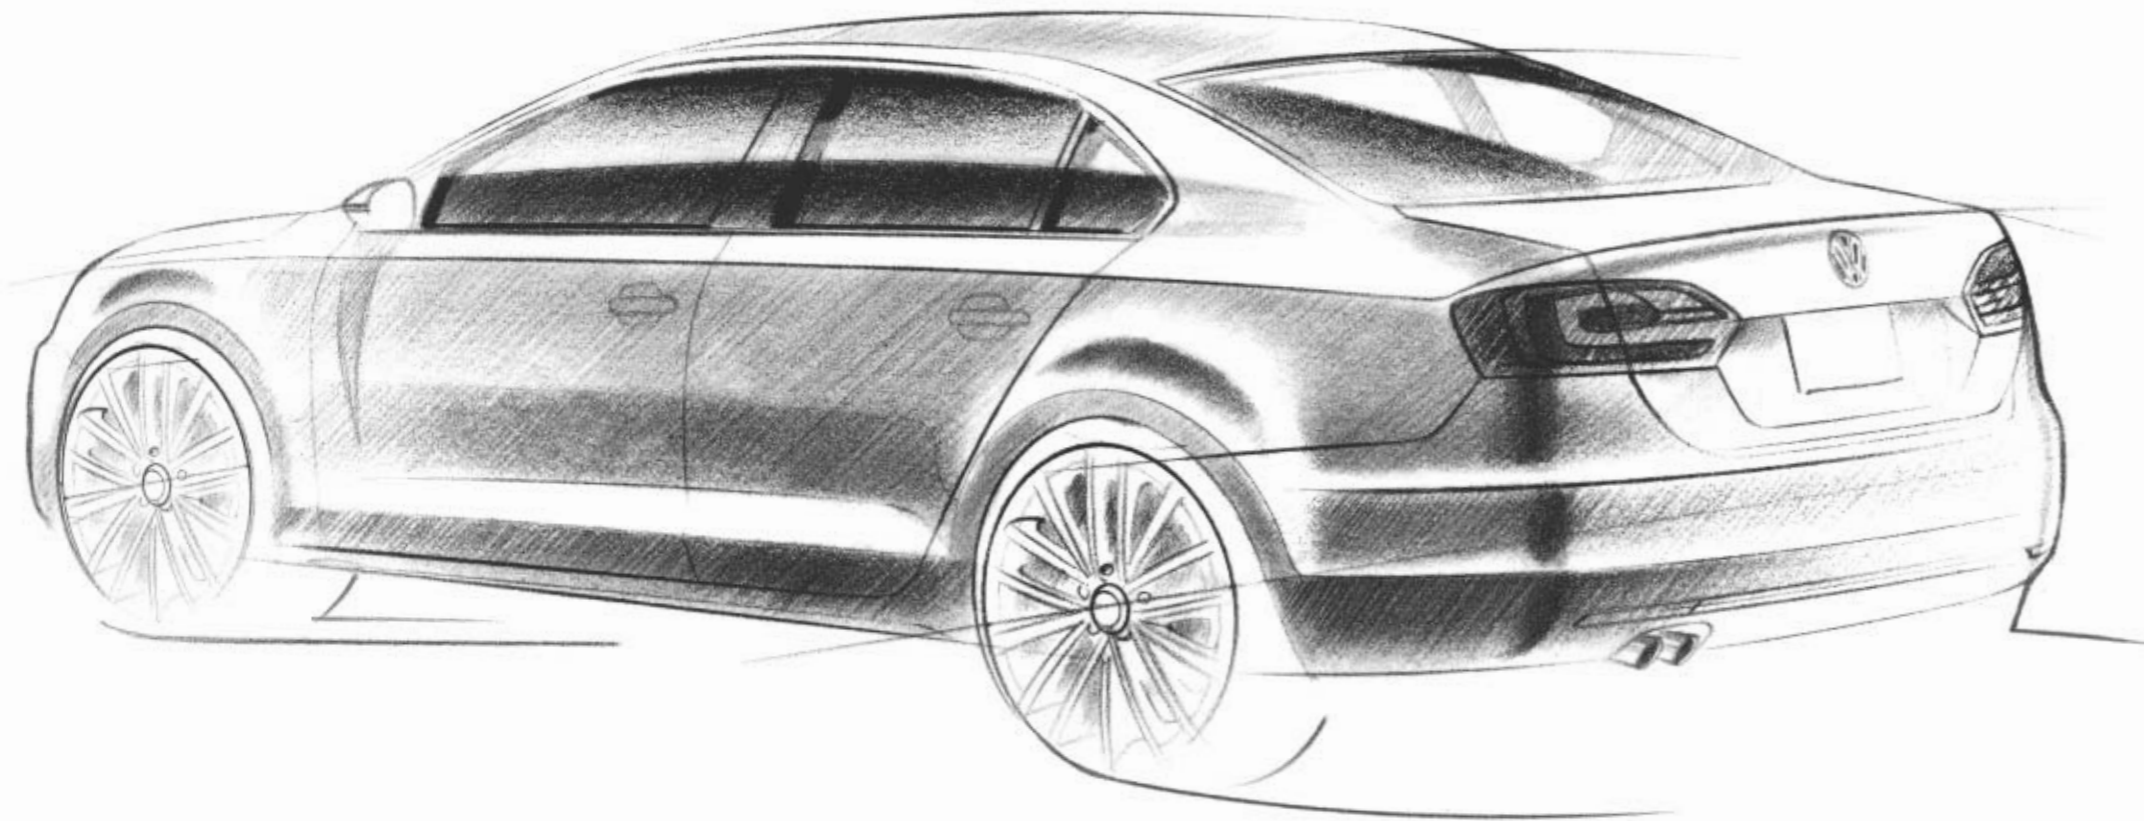

The electric sliding/tilting glass roof can easily be tilted to let in light and fresh air, independent of weather conditions. Tinted glass provides adequate protection from the sun. |SO

The darkened rear window and darkened rear side windows reduce solar radiation by up to 65%. They therefore contribute to a pleasant interior temperature and screen the occupants and luggage from view. |SO

# GREAT POWER VERSUS ENGINES THAT CONSUME LITTLE.

## CONSUMPTION AND CO<sub>2</sub> EMISSIONS

<b>Petrol engines</b>		77 kW (105 bhp) TSI	77 kW (105 bhp) TSI BlueMotion Technology
fuel consumption, litres/100 km <sup>1)</sup>	with manual gearbox:	6-speed	6-speed
	urban/extra-urban/combined	7.1/4.9/5.7	6.6/4.6/5.3
	with dual clutch gearbox DSG:	–	–
	urban/extra-urban/combined	–	–
CO <sub>2</sub> emission combined, g/km <sup>1)</sup>	with manual gearbox:	134	123
	with dual clutch gearbox DSG:	–	–
<b>Diesel engines</b>		77 kW (105 bhp) TDI <sup>2)</sup>	77 kW (105 bhp) TDI <sup>2)</sup> BlueMotion Technology
fuel consumption, litres/100 km <sup>1)</sup>	with manual gearbox:	5-speed	5-speed
	urban/extra-urban/combined	5.7/3.9/4.5	5.2/3.6/4.2
	with dual clutch gearbox DSG:	7-speed	7-speed
	urban/extra-urban/combined	5.6/4.2/4.7	5.7/4.3/4.8 <sup>3)</sup>
CO <sub>2</sub> emission combined, g/km <sup>1)</sup>	with manual gearbox:	119	109
	with dual clutch gearbox DSG:	123	110 <sup>3)</sup>

1) The fuel consumption and emission figures have been determined in accordance with the measuring method stipulated (the versions of regulation [EC] 715/2007 which are currently valid). Note in accordance with the version of directive 1999/94/EC which is currently valid: these figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO<sub>2</sub> emissions. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel consumption and CO<sub>2</sub> emissions which contains data for all new passenger car models is available free of charge at every point of sale in the European Union and, for prospective buyers in Germany, at DAT Deutsche Automobil

Treuhand GmbH, Hellmuth-Hirth-Strasse 1, 73760 Ostfildern. 2) This vehicle is fitted with a regulated diesel particulate filter. In the Federal Republic of Germany it is taxed up to 31.03.2011 at an annual rate of 1.20 € less per 100 cm<sup>3</sup> cubic capacity or part thereof than vehicles without a diesel particulate filter. The diesel particulate filter is a continuously self-regenerating system. In rare, exceptional cases, individual driving behaviour is to be temporarily adapted to this. Information on this is available at your Volkswagen Dealer and via our telephone No. 0800 – VOLKSWAGEN (0800 – 86 55 79 24 36). 3) Provisional forecast values. Final figures were not available at the time of going to print.

The combination of direct petrol injection and intelligent charging technology enables the **petrol engines with TSI technology** to work particularly effectively and combine advantages such as high torque and low consumption. | **S**

# ARRIVING RELAXED VERSUS EQUIPMENT THAT MAKES THIS POSSIBLE.

Touchscreen display, 30 GB hard disk, DVD drive and more besides: the MP3 and WMA capable “RNS 510” Radio Navigation System leaves nothing to be desired. With SD card slot, AUX-IN multimedia socket and “Plus” multi-function display. |SO

“Premium” mobile phone preparation<sup>1)</sup> offers very convenient hands-free mobile phone use. Your mobile is connected to the external vehicle aerial automatically and can therefore stay in your jacket pocket. |SO

The MEDIA-IN MULTIMEDIA socket<sup>2)</sup> with USB interface enables external audio sources to be connected and operated via the corresponding radio or Radio Navigation System. MEDIA-IN is also available with an iPod adapter cable. |SO

The “Climatronic” air conditioner has separate temperature control for the driver and front passenger. Both front passengers can therefore set their preferred temperature individually. Chrome trim adds an exclusive touch. |SO | H

Heated front seats belong to the Winter package and provide extra comfort during the cold season in particular. Seat heating supplies pleasant warmth quickly and works noticeably faster than the heating of the ventilation system. |SO | H

The “Volkswagen Sound” system<sup>2), 3)</sup> delivers full, precise sound with a total output of 400 watts. Eight high-performance loudspeakers with powerful amplifiers and subwoofers assure your listening pleasure. High-grade materials like the fibre glass reinforced membranes underline the high quality of the Volkswagen Sound system. |SO

1) For mobile phones with Bluetooth interface with hands-free profile 1.5 and remote SIM Access Profile 1.0 (rSAP). Mobile phones are connected to the external vehicle aerial via rSAP Bluetooth Technology.

Please ensure that the mobile phone in question is suitable for the option “Premium” mobile phone preparation. Please refer to [www.volkswagen-zubehoer.de](http://www.volkswagen-zubehoer.de) for further details. 2) Not for “RCD 210” radio. 3) Will be introduced at a later date.

The **luggage compartment** with a volume of 510 litres and a storage pocket on the left-hand side underlines the convincing amount of space and additional flexibility in the new Jetta. |S

You enjoy greater convenience with the “**keyless access**” locking and starting system. Clever wireless and safety technology enables the vehicle to be locked and unlocked without actively using the key. The engine can be started and stopped at the push of a button. |SO

The user-friendly **leather-covered multifunction steering wheel** has buttons for easy operation of a radio or mobile phone, and the natural leather trim has a pleasant texture. In conjunction with the dual clutch gearbox DSG, gears can be changed via paddles on the steering wheel without taking your hands from the wheel. The multifunction display shows relevant information during the journey on current and average consumption, average speed, range, journey distance, time and outside temperature. |SO

The **Highline equipment version** of the new Jetta has many practical and attractive extras to offer. These include a small leather package with a leather-covered steering wheel, gear lever knob and handbrake lever grip. The adjustable deluxe sports seats at the front have an ergonomic shape and not only look good but are extremely comfortable as well. Heated front seats belong to the Winter package which is also included. You can look forward to extra comfort and convenience with the easy to use “Climatronic” air conditioner, ParkPilot, the MP3 capable “RCD 210” radio, and the “Plus” multifunction display which keeps you up to date on relevant information during the journey. “Printed Iridium” inserts emphasise the exclusive elegance of this equipment line and are a perfect complement to the combined cloth and leatherette upholstery. |H

**PROBLEMS DUE TO LACK OF SPACE ARE NOW A THING OF THE PAST AS THE LARGEST JETTA OF ALL TIME IS HERE.**

**THE GENEROUS AMOUNT OF SPACE OFFERS NOT ONLY ENOUGH HEAD AND KNEE ROOM FOR ALL OCCUPANTS BUT ALSO AMPLE ROOM FOR THEIR LUGGAGE IN THE LARGE LUGGAGE COMPARTMENT.**

An **asymmetrically split-folding rear bench seat** is standard. As of the Comfortline equipment version, it includes a practical through-loading facility to transport long items of luggage such as skis or snowboards. Two cup holders are integrated in the centre armrest. |S

## EXTRA LONG SHOPPING LIST VERSUS 510 LITRES OF STOWAGE SPACE.
